**2. Causeway Bridge Coupling Replacement Project – Doug Buchanan**

The Causeway Bridge Coupling Replacement is a regulatory project that is required by the Department of Transportation regulations. The project was successfully completed in October and consisted of removing and replacing four (4) sets of failed natural gas pipe couplings and valves beneath the Vallejo Causeway Bridge.

Resolution 21-241 approved the total cost of the Causeway Bridge Coupling Replacement project to be \$807,118, which includes awarding repair contract of \$437,118 to Performance Mechanical, Inc., \$250,000 for engineering, traffic controls and natural gas supplies during pipeline repair time and \$120,000 for contingency. The project is entirely funded by Island Energy Enterprise Fund.
