

Detailed Proposal Assessments Score sheet

Background:

All proposals will be evaluated by the Selection Team and analyzed by GFOA that met the City's submittal requirement (compliant). The Selection Team will consider data prepared by GFOA and comments and analysis submitted by the non-voting / subject matter expert members.

Instructions:

Proposers from this step will be selected for on-site oral software demonstrations, experience, and interviews. Using the table below, the Selection Team will rank each Proposer according to the scores listed in the Ranking Legend. Rankings will be assigned 1-10 with 1 being the top choice.
