

PITTSBURGH Summer Reads

June 8th - August 14th

About:

The Pittsburgh Arts and Community Foundation and the Pittsburgh Library have partnered to create a **CITY-WIDE** summer reading program: Pittsburgh Summer Reads.

Pittsburgh Summer Reads is designed to **RALLY THE ENTIRE CITY AROUND READING** and encourage everyone to read the same book over the summer (books vary by age group + language).

The goal is to promote active minds over the summer break, foster an appreciation of literature, triple our summer reading participation, and **BUILD A STRONG, COHESIVE, & LITERATE COMMUNITY.**

Pittsburgh Summer Reads is **FOR THE WHOLE FAMILY!** Moms, dads, babies, kids, and even grandparents! Rewards and excitement await! Please make a splash for literacy and join us!

Here's how to get started:

1

Pick up your **FREE** book and reading log at the Farmers Market or the Pittsburgh Library beginning on June 12th (while supplies last).

2

READ! Then turn in your reading log at the Library to win exciting prizes and to earn your free silicone wristband that can be redeemed for valuable offers from local Pittsburgh businesses.
