

Interested in Working in the Construction Industry and Learning Green Trade Skills?

Training Program Runs: May - August, 2012

Are you between the ages of 17 & 30?
Have a high school diploma, GED Certificate or need one?
Live in Pittsburg, Antioch, Bay Point, Oakley or Brentwood?

Then this is the program for you!

Future Build utilizes PACT (Pre-Apprenticeship Certificate Training) Program designed by Home Builders Institute. PACT has been recognized by the US Departments of Labor and Housing and Urban Development as an outstanding tool to prepare workers for construction industry. PACT integrates work-based learning with vocational and academic skills training. Successful graduates will show proficiency in carpentry, electrical, plumbing, painting & finishing, brick masonry, facilities maintenance, landscaping, weatherization, green building and solar.

Please call Merl Craft at 925-522-2970
